To suit the eave line of your house.

Flat

With mitre corners depending on design.

Fence Boundary Post

If required.

Federation Truss

To smarten up the design.

2 YEAR Leak Warranty
10 YEAR Structural Warranty

Just a few words to let you know that the patio is brilliant, my wife especially loves it and is already planning big bbq's. The initial advice during design state was very helpful and the construction stage went without a hitch. Thank you.

John & Robin

We are extremely happy with our patio from Best Value Patios & Sheds. The workmanship is excellent.

Scott & Gail
